

1 new infrastructure company has joined JHyM

Japan H2 Mobility (JHyM) welcomes a new infrastructure company, Date Jyuki, for further expansion of hydrogen station network in Japan. Now, JHyM consists of 27 members including 17 infrastructure companies after we started with 11 members in February of 2018.

Datejuki Co., Ltd. is a rental and leasing company for heavy equipment and vehicles in Fukushima Prefecture. In support of “Hydrogen Town Namie”, they entered the hydrogen station business.
